BUSINESS MEMBERSHIP GUIDE

A dental benefit your team *will actually use.*

No insurance to buy, no claims to manage. One flat yearly price per employee.

PER EMPLOYEE

$469

a year

One flat price

$469 per employee, the same for everyone, paid once a year.

Over $1,000 of care

Each employee gets $1,032.70+ of routine care, plus 30% off treatment.

Private by design

Your employees' dental health stays between them and us.

How it *works.*

Your business pays one flat yearly price for each employee. Your team gets checkups, cleanings and savings on treatment at our South Austin office.

1

Enroll your team

Send us your roster of 5 or more employees and pay once for the year.

2

Employees book

They call us to schedule. Benefits start the day you enroll, with no waiting periods.

3

Renew each year

We send a renewal invoice before the year ends. Add or remove people then.

WHAT IT COSTS

TEAM SIZE	YOU PAY	CARE VALUE
5 employees	**$2,345**	$5,163
10 employees	**$4,690**	$10,327
20 employees	**$9,380**	$20,654
30 employees	**$14,070**	$30,981

Care value is each employee's included routine care at our regular fees ($1,032.70), before any treatment savings.

WHY EMPLOYERS LIKE IT

- ✓ One predictable cost per employee, paid once a year
- ✓ No insurance company, claims, networks or yearly maximums
- ✓ No waiting periods: care starts right away
- ✓ A benefit that helps you hire and keep good people
- ✓ Employee health details stay private

If an employee needs gum disease care

Your price stays $469. If our dentist diagnoses gum disease, that employee gets 30% off deep cleanings, gum-care visits and any other treatment, just like all other care. You never see their diagnosis or a different bill.

Families can join too

Spouses and adult family members can join at the $469 group rate, and children can join Kids Smile at $359 a year. Paid by your business or by the employee.

"Worth" uses Vida Dental's regular fees; the emergency exam is extra value on top. Member specials are set prices that replace the 30% discount for those services. Your employee's exact treatment plan and price are given to them in writing after their exam. Employees who need gum disease care get 30% off that treatment, just like all other care.
