The membership is not insurance and can't be combined with insurance, Medicaid/CHIP or other offers. Covers one member for 12 months, paid in full once a year. Your diagnosis determines the best plan for you. Business members pay $469 a year and get 30% off all other care, including gum disease treatment. Fees are estimates confirmed after an exam. Services provided by a general dentist. We also accept most PPO plans, Medicaid and CHIP.
